Is the structure listed, or determined eligible (DOE) to be listed, on the State or National Register of Historic Places? Check all that apply.

	Listed	DOE
State Register		
National Register		

Level of significance (if known): national statewide local

Provide a brief overview of the significance of the resource and describe what the proposed project will accomplish.

RESOURCE VALUES

1. Resource Attributes

25 Points

a. Give a brief history of the resource, including specific details of its significance.

b. What specific work tasks will be accomplished with the LCHIP funds? How were these needs identified?

2. Adherence to Secretary of the Interior's Standards

10 Points

a. Explain which of the treatment approaches (preservation, rehabilitation, restoration, or reconstruction) will be used to address the current physical condition, proposed use and mandated code requirements.

b. How will each applicable Standard be met?

c. If the proposed project involves ground disturbance, how will archeological concerns be addressed?

3. Imminence of Threat

10 Points

a. Is the structural integrity compromised or at risk? If yes, describe.

Yes

No

b. Is the resource unusable, unused, or underused? If yes, describe.

Yes

No

c. Are changes to the property proposed or planned that would be detrimental to the resource attributes identified in question 1? If yes, describe.

Yes

No

d. Is the project located in a:

- densely developed area of the State
- rapidly developing area of the State

Yes

No

Yes

No

If yes, briefly discuss the rate or density of development in the project area as compared to the surrounding region.

e. Has the property has been nominated or selected for New Hampshire Preservation Alliance's Seven to Save?

Yes

No

If yes:

Nominated (Year)

Selected (Year)

CURRENT CAPACITY

4. Planning and Community Support

5 Points

a. Does the municipality's Master Plan have an historic-preservation element? Yes No

If yes, is the resource identified in it as a priority for preservation? Yes No

b. Is the resource under the jurisdiction of a local historic-preservation or architectural review commission? Yes No

c. Has the municipality's governing body (Town Meeting or City or Town Council) voted to support the project, or has the project received an official endorsement by elected municipal officials? If yes, describe. Yes No

d. List other organizations or groups involved in this project, and describe their roles.

e. Describe how the general public will be made aware of this project and given the opportunity to participate.

f. Is there any known opposition to the project? If yes, describe. Yes No

FUTURE STRENGTH

7. Stewardship

15 Points

- a. What organization will be responsible for the property's long-term maintenance and repairs (the “steward”)?

- b. Describe the steward’s record caring for the resource.

- c. Describe the steward’s existing or potential dedicated stewardship or endowment fund.
How will the organization fund long-term maintenance and repairs beyond this grant?

- d. What capacity does the steward have for performing regular inspections, documenting conditions, and making sure maintenance and repairs are done?

- e. Are there any existing or anticipated concerns about caring for the resource? For example, funding, staffing, etc.?
If yes, describe.

501 (c) Organizations Only

- f. What is the contingency plan to ensure protection of the resource if the stewarding organization dissolves?

8. Future Activities

10 Points

a. Will the resource be used differently as a result of this grant?

b. How often is the resource open to the public? Will this change when the proposed project is complete? If so, how?

c. Will this project be used proactively to encourage further historic resource protection?
If yes, how?

Yes

No

d. Will this project stimulate new or increased economic activity, either during or after the project's completion? If yes, describe.

Yes

No

9. Additional Information

5 Points

- a. Does the project protect or enhance significant natural or cultural resources? Yes No

If yes, describe the affected natural or cultural resources and their significance to the community.

- b. Describe any other important aspects of the project that have not already been addressed. For example, are there interesting stories or people connected with the property? Is there something else we should know?

- c. Explain if the proposed project is part of a larger, or phased, rehabilitation project.

- d. For buildings: what is its gross square footage?

- e. How many people visit the property each year?
