#### EXECUTIVE SUMMARY

Provide a brief overview of the historic, architectural and community significance and uniqueness of the resource.

Describe the work to be undertaken.

**1. RESOURCE SIGNIFICANCE**

**35 POINTS**

Use information from the nomination form to the State or National Register of Historic Places – or the State Determination of Eligibility form – to answer questions **a** and **b** below.

a. Describe the significance or uniqueness of the resource.

b. Level of significance as listed in form mentioned above:                      National                      State                      Local

c. Describe the resource’s proximity to other historic, cultural or natural resources. Is the resource part of an historic area or district? If so, describe.

**2. IMMINENCE OF THREAT**

**10 POINTS**

Describe the extent to which the property is endangered, noting structural problems. How did the structural problems come to be? Is it unusable, unused, or underused? Are changes to the property proposed or planned that would be detrimental to the historic integrity of the resource? Explain if any community changes threaten the resource.

**3. CAPACITY TO IMPLEMENT THE PROJECT**

**5 POINTS**

a. Complete the following estimated timeline, providing any clarifying details in the space provided.

Task	Month/Year	Additional Information
Fundraising Completed		
LCHIP Due Diligence		
Work Begins		
Work Completed		
LCHIP final documentation		

b. Describe the capacity of project team to successfully manage the project. Note any previous experience with LCHIP or other similar grants.

**Adherence to the Secretary of the Interior’s Standards for the Treatment of Historic Properties**

c. Select the predominant treatment approach that will be used on this project:

Rehabilitation                  Restoration                  Preservation                  Reconstruction

d. List the National Park Service’s *Preservation Briefs* that are relevant to the project.

e. If the project involves ground disturbance, how will archaeological concerns be addressed?

**4. STEWARDSHIP**

**15 POINTS**

- a. What organization is responsible for the long-term care and maintenance of the property (the “steward”)?
- b. Describe the steward’s past record of caring for the resource, the steward’s capacity to care for and maintain the property into the future, and any unique or challenging stewardship concerns.
- c. Will the resource be maintained according to a cyclical maintenance plan? Is there a dedicated funding stream available for stewardship? If no, describe any efforts being made to develop a plan and funding.

**5. FUTURE ACTIVITIES**

**10 POINTS**

- a. Describe any change in public use of the property that is expected when construction is completed. Include any educational/interpretive plans.

- b. Current number of annual visitors (estimate):

Anticipated number of annual visitors when construction is complete:

**6. COMMUNITY SUPPORT AND PLANNING**

**5 POINTS**

- a. Describe how the project aligns with the community’s Master Plan or the state’s priorities, citing any relevant examples. If applicable, describe how the project involves cooperation between or among communities. Identify project partners and diverse user groups supporting the project.
- b. For *municipal* projects only: Has the governing body of the municipality (Town Meeting or City or Town Council) voted to support this project or will it in the future?    Yes    No  
If yes, describe.

**7. FINANCIAL NEED**

**5 POINTS**

Explain why the project proponents need the money for this project. Can the funds be found from other sources? Describe efforts made or planned to obtain funding from other (non-LCHIP) sources. Identify any sources that were considered but not included, explaining why. Describe any contingency plan if LCHIP funds are not received.

**8. ADDITIONAL INFORMATION**

**5 POINTS**

Describe any other important aspects of the project that have not already been addressed. Why does this place matter to the community? Are there interesting stories or people connected with the property? Is there anything else we should know?

**Extra Space** – If needed, use this space to further develop your response to a question earlier in the application. Identify with question number (i.e. 3d, 7 etc.)
